There are two different ways to achieve an NJ Trophy. The NJ Trophy can be earned in a two year period by playing in two events for two consecutive years, or The NJ Trophy may be earned in one year by playing in three separate events (i.e. piano solo, concerto, duet). Enter your student's name, followed by each of their events, along with the separate years they have participated in that event. Type or print carefully, using the same spelling every year. Orders must be mailed along with all other festival forms. Please be sure to send two copies of this form. Late orders will not be filled.
