

**NEW JERSEY FEDERATION OF MUSIC CLUBS  
NEW MEMBER APPLICATION**

These are the criteria as written in the NJFMC by-laws for teachers who wish to join the NJFMC and enter students in any NJFMC events.

1. A private teacher holding a Bachelor’s degree with music as a major, and who has had two years private music studio experience as a teacher shall be eligible for membership.
2. A teacher not holding a degree is required to present three students who have studied with said teacher at least three full seasons. One of these students shall have had all of his or her training with the applicant.
3. The Board may accept other criteria for membership at their discretion.

**Obligation of Membership:** The NJFMC requires a donation of service from all members entering students in the NJFMC Junior Festivals. This usually takes the form of a one-day donation of time as a judge on one day of the Festival. Other options are available for fulfilling the donation of service requirement. Contact the NJFMC President or the NJFMC State Festival Chairman for more information.
