1. A private teacher holding a Bachelor's degree with music as a major, and who has had two years private music studio experience as a teacher shall be eligible for membership.
2. A teacher not holding a degree is required to present three students who have studied with said teacher at least three full seasons. One of these students shall have had all of his or her training with the applicant.

Obligation of Membership: The NJFMC requires a donation of service from all members entering students in the NJFMC Junior Festivals.
